Disclaimer Form

I understand that Footloose is a group of individuals who come together solely for the purpose of arranging walks and associated social activities on a personal and voluntary basis. I agree that by choosing to join any group activity, I do so entirely at my own risk and in full knowledge that I am solely responsible for my own safety and that I will not act in a manner that might jeopardise the safety of others.

The responsibilities of individual members of the club are listed in the Members Responsibilities notice on the Footloose web site at https://footloosecumbria.org/responsibilities/. I have read and understood the document, and I agree to meet the requirements listed there. I am also aware that walking in the fells is inherently risky, and agree that the responsibility for my personal safety rests entirely with me. I understand and accept that Footloose as a group, and the individuals that from time to time volunteer to organise group activities, bear no responsibility or liability whatsoever for any incidents or accidents and their possible consequences to me and to any others who choose to join the activities. I also understand and agree that I will bring no claim of any kind against Footloose as a consequence of my participation in any activities.

I accept that any decision on which route to take or whether to discontinue any walk is entirely my own choice made in the circumstances prevailing at the time, even if based on the recommendations of a group leader which I am completely at liberty to disregard.

I also accept that a walk leader may at their entire discretion refuse to allow me to participate in a walk because they are of the opinion that I am not fit enough or properly equipped for the walk. I agree to accept their decision as final, and I will not attempt to participate in the walk.

As a club Footloose will endeavour to promote safe practice on all walks, having regard to the conditions prevailing at any particular time. All group participants have a collective responsibility to ensure this happens. Walk leaders will explain the nature of every walk before it commences but participations is a personal decision.
